

Hello, my name is

Katie Loomis

and I am a User Experience & Interface Designer.

Work Experience

Western & Southern Financial Group / UX Designer

November 2017 - Present, Cincinnati OH

I am part of an agile team that is dedicated to enhancing the experience of all W&S public websites. I am responsible for prototyping and testing lead generating improvements as well as laying out new site content. I follow a mobile-first approach to web design with an emphasis on website accessibility.

SCAD District / Web Director

March 2016 - June 2017, Savannah GA

I managed the student-run independent news website within WordPress. I focused on reorganizing page layouts to be responsive and optimizing media content for better page performance.

Volunteer Work

Brecon United Methodist Church / Web Designer

March 2020 - Present, Cincinnati OH

I designed Brecon's website using WordPress and updated their social media presence. I also run worship live streams on Brecon's Facebook page each week.

Education

Savannah College of Art & Design / B.F.A. Interactive Design

September 2013 - June 2017, Savannah GA

Sponsored work-studies:

- UX / UI Designer, The Home Depot
- Interaction Designer, Flye Scavenger App
